Timeless Treasure – E-commerce Watch Website
Jan 2025 – Mar 2025 | Ahmedabad, India
 - Developed a dynamic e-commerce website using Python, Django, and SQLite
 - Designed separate product pages for Men's and Women's watches with CRUD functionality through Django admin
 - Implemented user authentication, including registration, login, and OTP email verification
 - Integrated payment gateway to enable secure online purchases
 - Created a real-time cart system connected to the database
 - Maintained existing CSS and frontend design, ensuring a seamless user experience
 - Followed MVC pattern and practiced clean code principles
